**INTERVIEW STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is a summary of a telephone conference of November 22, 2005 between the Examiner and the undersigned.

The undersigned initiated a telephone conference of November 22, 2005 with the Examiner, requesting cancellation of rejected claims 13-16 by Examiner's Amendment, with authorization to charge our deposit account for a three-month extension of time, to thereby place the case in condition for allowance. As indicated in the Final Office of May 25, 2005, claims 2, 4, 8 and 12 are allowed.

Upon updating his prior art search, the Examiner advised in a follow-up telephone conference that he had identified new prior art that would be applied against the allowed claims in a subsequent non-final Office Action. Accordingly, Applicants file concurrently herewith a three-month Petition for extension of time and a Notice of Appeal to maintain pendency of the application, and await the next Office Action.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account. A duplicate copy of this sheet is enclosed.

Respectfully submitted,
